HOBOTOURS 2024

Never let be said that Emil is not without an elementary form of financial survivability which no doubt was honed by his many years out on the Hobo Trails and when there was even the slightest chance to double-dip on an book advance commission;

HOBOTOURS 2024

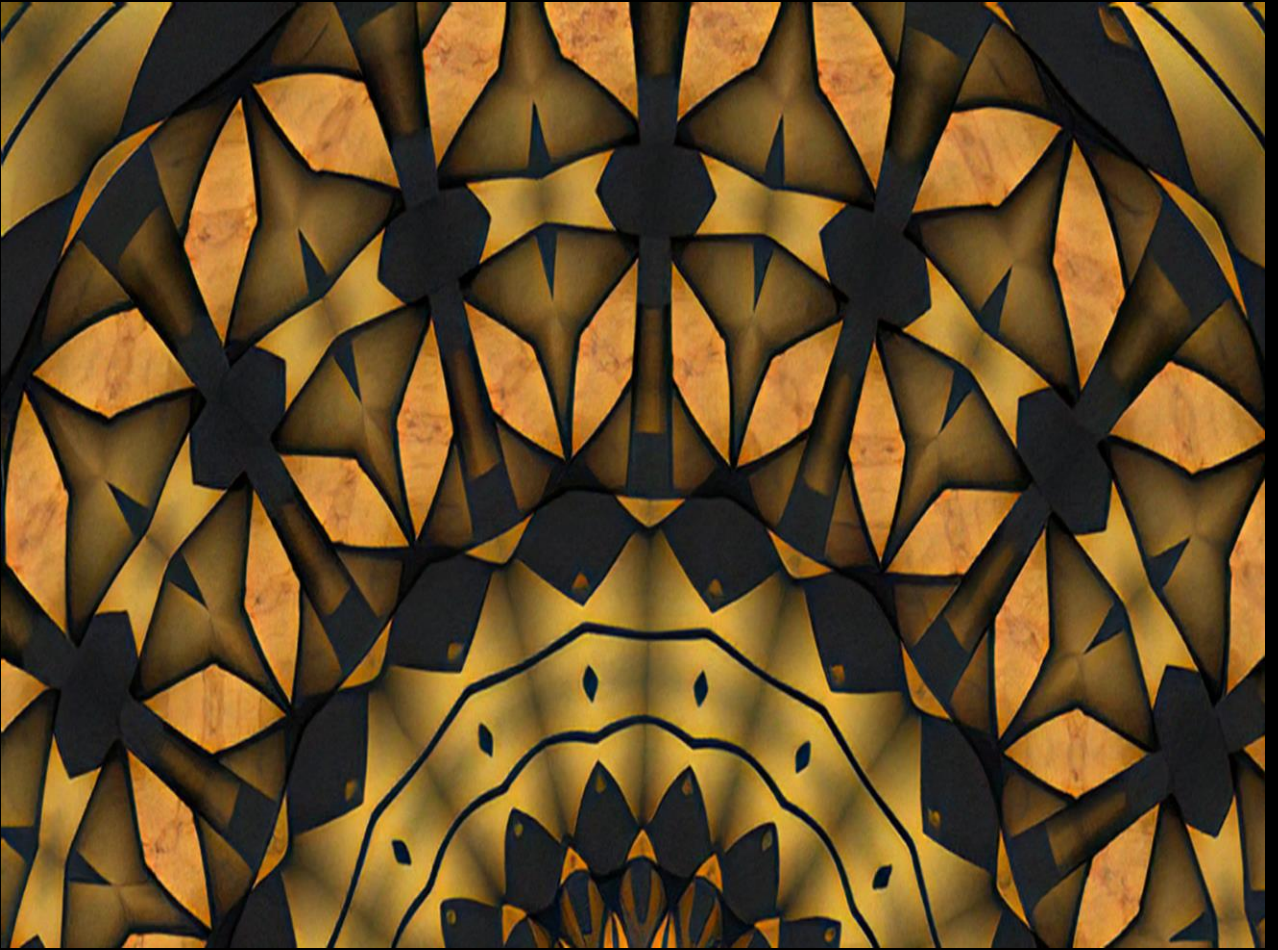

he rose to the challenge and
while I do not appreciate it
from an artist viewpoint, I will
give him credit for his boldness
in repackaging art that had been
left on the cutting room floor
and turning it into yet another
payday - still it works!

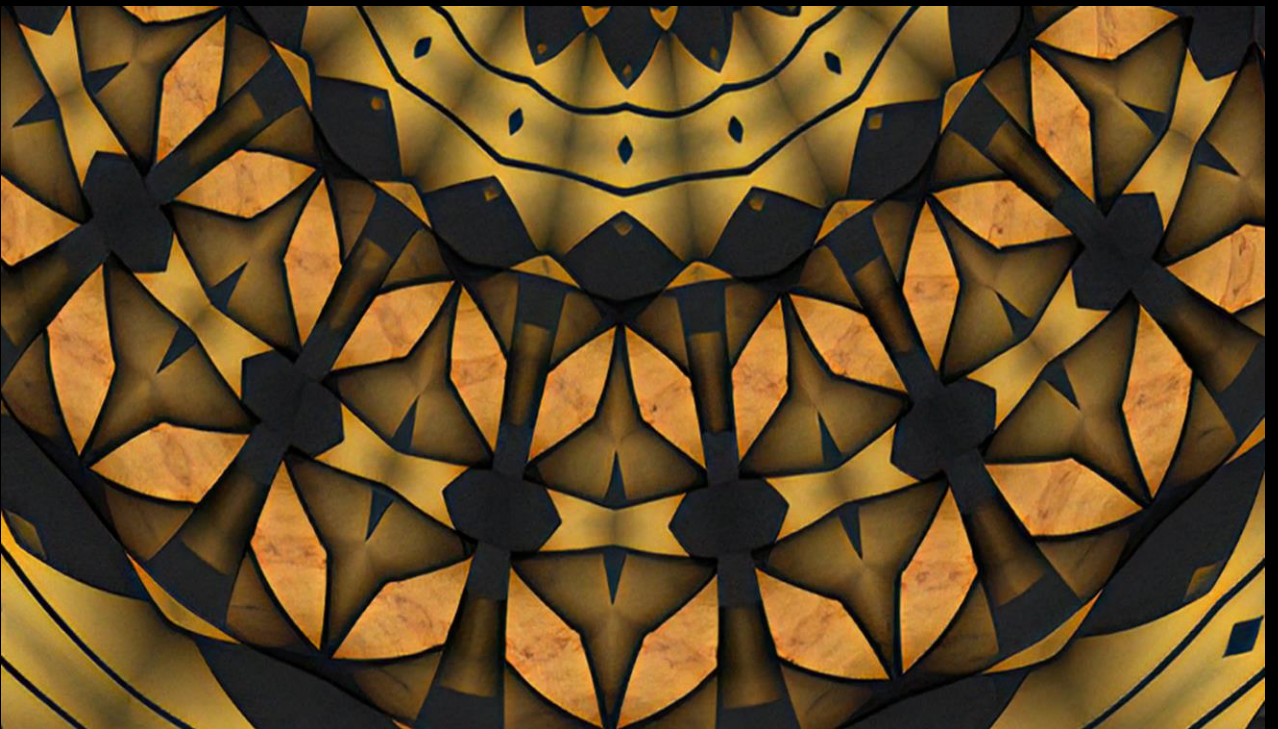

HOBBO TOURS 2024

So, this is the backroom saga on
how this edition came to be.
Brother Andy once said that art
is anything you can get someone
to pay for it and since you did; I
will deem this art. Remember:
NO REFUNDS! All sales final!

I'm just a corporate sharecropper, the poor artist at the wrong end of the money stick!
